[msuttonsolutions@yahoo.com](mailto:msuttonsolutions@yahoo.com) or [jsuttonsolutions@yahoo.com](mailto:jsuttonsolutions@yahoo.com)

**To: Dennis Smith**

**Project: Sandpipers Towers**

**205 A1A HWY Satellite beach FL 32937**

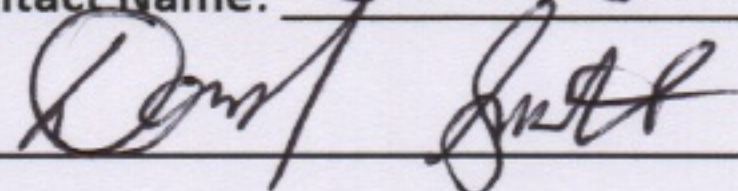

**Budgetary Amount: \$1,475.00**

**This price will include: Dewater, Degrease and Cleaning of Double Cab Pit**

- **Suttons Site Solutions** will need to gain access to the elevator equipment room/ so a lock-out tag-out can be performed on the elevator main power source.
- **Suttons Site Solutions** will not be responsible to extract any oils or grease from within the concrete or perform any task outside of the original scope of work.
- **Suttons Site Solutions** requires payment within 10 days of completion unless other net terms have been established. A 20% fee of contract total will be billed for cancellation of signed contract.
- **Suttons Site Solutions** Will remove all water/oil in the contracted pit but will not be responsible if the water returns after completion of contract. If the water intrusion is to great, the water removal process may not be completed. In this event the onsite contact will be requested to verify that the dewater was completed.
- **Suttons Site Solutions** Will not replace any non-working light bulbs in the pit or be responsible for any repairs to elevator parts. Before and after photos will be taken of each contracted pit.
- **Suttons Site Solutions** looks forward to working with you and will schedule an appointment to complete services when we receive the signed contract.
- **Suttons Site Solutions** will provide after hours and weekend services at an additional cost.
- **Suttons Site Solutions** will not honor any proposals after 60 days from prepared date.
